THE BETTY HIGGS SCHOLARSHIP AND THE MICHAEL CURRIE MEMORIAL MUSIC SCHOLARSHIP

Mrs Betty Higgs was an outstanding teacher who displayed compassion, strength of character, and a wonderful sense of dedication and commitment to her students and the entire school community. Mrs. Higgs' love for Music and the Arts shone through her teaching practices. Her dedication and contribution to the Music curriculum and co-curriculum of the School for over a decade were a shining example of her passion for the musical life of Girton Grammar School. The Girton Grammar School Board has honoured Mrs Betty Higgs by naming the scholarship *The Betty Higgs Music Scholarship*.

The value of the Scholarship is a 15% rebate of tuition fees per annum, which is taken off the tuition fees normally paid. All other deposits and charges incurred are not affected by the Award. The Scholarship is held until the student departs the School having completed the VCE in the normal time at the end of Year Twelve subject to the conditions of its award. Current scholarship holders, if successful, may add it to their current award.

Mr Michael Currie was a highly respected Bendigo businessman who passed away suddenly at a young age. His family perpetuates his memory supporting this scholarship tenable at Girton. It is a major honour of the School and the previous holders have set excellent standards.

SELECTION CRITERIA

The criteria for selection include:

1. A very good result in a competitive audition in voice or the instrument(s) of choice (piano or other band or orchestral instrument) to be held at the School later this year.
2. Evidence of musical ability such as competition awards or examination results (eg AMEB, Trinity), references from known reputable teachers or Schools of Music etc.
3. Evidence of good attitudes to school work, as well as good behaviour. Recent school reports and/or references from the Principal or other senior teachers who know the candidate well will suffice.
4. Candidates must provide three copies of each piece performed for adjudication.

The interview with the Principal is a very important part of the selection process. Candidates should be excellently presented and dressed in school uniform, if their school has one; otherwise smart casual clothes should be worn. At the interview, the candidate will need to demonstrate good communication skills which will allow them to show the sort of leadership in Music expected of the Betty Higgs and Michael Currie Scholar. Some thought should be given in advance to such topics as leadership of one's peers in Music, the promotion of Music in the School and so on.

The requirements and expectations of The Betty Higgs and Michael Currie Scholar include:

- excellence in musical performance or music composition
- willingness to perform at School events and elsewhere
- encouragement and general leadership of others in music
- excellence in behaviour, presentation, and dress
- good attitudes towards school work and exemplary behaviour at all times
- a willingness to be widely involved in the life of the School.

The Principal, having taken the advice of experts in music, is the sole decision maker in respect of the award of the Scholarship and reserves the right to modify the award, or not to award, at any time as they see fit.

Applications should be sent to the School to Mrs Shari Williams, Arts Faculty Coordinator, or via email at shariwilliams@girton.vic.edu.au. Copies, not originals, of reports, references and evidence of musical ability and achievement should be included. Please state clearly the instrument(s) (including voice) to be tested at the audition.
