

Girton Grammar School Enrolment Policy

BACKGROUND

Girton Grammar School (the School) is an Independent, Christian, Co-Educational School for young people from Preparatory to Year Twelve.

The School is open to the entry of all students irrespective of their faith, ethnicity, nationality, or family structure, subject to the following:

- The ability of the School to provide services to that student according to its academic curricula, its ability to properly care for the Student in accordance with legal obligations and for that student to be willing and able to gain from their attendance at the School.
- The clear understanding by the student and their family that the student, and their family, must conform to the requirements of behaviour, personal presentation and general philosophy and particular practices of the School as published or as developed from time to time.
- The student and their family complying with the enrolment agreement and all relevant policies and procedures
- The payment of all fees and charges as determined by the Board.
- The availability of places, according to the class sizes, overall size of the School and the regulations approved by the Board and/or Principal for entry.
- Federal, State and local laws.

The School does not offer Boarding or Homestay for international students. The School will only offer enrolment to international students aged under 18 years where the student resides in Victoria at all times either:

- in the care of a parent or legal guardian, or
- in the care of a close relative nominated by the parent/legal guardian and approved by the Department of Home Affairs.

The School does not issue Confirmation of Appropriate Accommodation & Welfare (CAAW) arrangements accepting responsibility for unaccompanied students aged under 18, and will not arrange homestay or boarding accommodation, either through the School or through commercial Education Agents.

The Board endeavours to keep the compulsory fees and charges of the School at the lowest level that is consistent with the prudent business practices best suited to ensuring that the School provides an education consistent with its Mission and good practice. This is to allow maximum access to students from as wide a socio-economic background as possible at the present time and in the future.

The School reserves the right, through its Principal, to require an enrolled student to depart the School if his/her standards of general behaviour, academic behaviour, or personal presentation fall below the required standards, or if there is clear evidence of criminal, dangerous or seriously negligent behaviour or for any other reason in accordance with the enrolment agreement. It is a condition of continuing enrolment of a student that their parents or guardians support the policies and practices of the School as they affect the student, and that all fees and charges are paid promptly in accordance with the Enrolment Agreement of the School.

Capital Fees and the Enrolment Process

All Capital Fees stated herein are exclusive of GST (unless stated otherwise). Should GST be payable, in accordance with legislation, then the required amount of GST will be charged by the School. Accounts provided to parents/guardians will list any GST that has been charged. Should you wish to know what fees are subject to GST, please contact the Chief Financial Officer.

1. APPLICATION FEE

A \$110 GST inclusive non-refundable Application Fee is payable per child and will place the child on a list for the relevant year of entry.

2. CAPITAL FEE

The Capital Fee is:

- \$1250 for the first child in the immediate family
- \$500 for the second and subsequent children in the immediate family.

Payment dates for the Capital Fee are advised in the letter of offer:

Fee	First Child	All Other Children	Payment Due
First Instalment	\$750	\$300	Upon acceptance of Enrolment Offer
Second Instalment	\$500	\$200	On or before 31 st August in the year prior to entry
Total Fee	\$1250	\$500	

The Capital Fee will **only** be refunded if the School fails to offer a place in the *original* year of entry.

Where a family first enters the School with a student in Year 10 or above, the family will only pay the Application Fee and the first instalment, as detailed above, of the Capital Fee.

Where a family re-enters the School after departure (applicable if no other siblings are currently in the School) the difference between the previous Capital Fee paid and the current Capital Fee will be payable. Should the School hold a capital deposit, then the capital deposit may be transferred to offset the Capital Fee. Please note this Capital Fee is not tax deductible.

3. APPLICATION

The *Application Form* (online or hard copy) must be signed by both parents or guardians of the child seeking entry to the School. Joint and several liability of the parents / guardians for the enrolment of the child at the School is required in all applications for enrolment. Space is provided at the foot of the *Application Form* for joint signatures. The signing of the form acknowledges acceptance of the Enrolment Agreement, including fees and charges. If circumstances permit only one party as signatory, then that person is solely responsible for all fees and charges.

4. CONFIRMATION OF ENTRY

A place is offered if the Enrolment Interview is successful and a vacancy exists in the required Year level. This

place must be confirmed by accepting in writing within 14 days and by paying the first instalment of the Capital Fee at the same time.

5. WAITING LIST

Students will remain on the *Waiting List* if the enrolment interview is successful and when all places in the year level sought have been allocated, unless, at the request of parents/ guardians, they are deleted from our pre-enrolment system. If a place does not become available in the requested year of entry, all students on the Waiting List will be rolled over to the next year of entry.

6. OFFER OF ENROLMENT

A Formal *Offer of Enrolment* (Offer) at the School shall be made in writing, over the signature of the Principal or their delegate. It will include details of payments due and expectations of the School should the Offer of Enrolment be accepted by the parents or guardians.

Fourteen days is normally given to accept an *Offer*. However, if the *Offer* is to fill a vacancy, owing to the departure of an existing student or non-acceptance by another applicant, immediate confirmation may be required.

Please note that should no written response to an *Offer of Enrolment* be received within the specified period from the date of posting of the Letter of Offer, the Offer shall be withdrawn and the place provided to another child, without further notice from the School. This regulation applies to all enrolments.

Once the signed *Confirmation of Enrolment Form* is received (under which parents / guardians agree to the terms and conditions of the Enrolment Agreement), and the Capital Fee is paid, the student is deemed to be enrolled in the School. Hence the notice of withdrawal period under the Enrolment Agreement is required to be given if a parent subsequently decides not to proceed. (See Schedule A, Clause 7: *"To withdraw a Student from the School, at least one complete term's written notice, must be given to the Principal no later than the first day of the term of departure. The Parent(s) / Guardian(s) acknowledge that the School may suffer loss if this notice requirement is not complied with."*)

7. OFFERS MADE DURING THE DECEMBER-JANUARY SUMMER VACATION

The School may make Offers during the December – January summer vacation period.

In these circumstances, if a parent / guardian is not contactable by telephone/letter within a forty-eight hour period, the Offer shall be made to the next person on the list.

8. TERMINATION OF ENROLMENT

Student enrolments may be terminated at the discretion of the Principal and in accordance with the Enrolment Agreement.

Termination of a student enrolment may occur in circumstances including, but not limited to, the following:
