

Girton Grammar School Policy Document

Inclusiveness and Diversity

1. Policy Statement

Girton Grammar School is a community made up of students, employees and families with unique skills, and from a wide range of backgrounds and experiences. This diversity is greatly valued and is fostered through careful observation of, and adherence to, the School's Mission and Values statement.

Girton Grammar School's Diversity and Inclusion Policy aims to ensure that the school is a supportive and engaging place for all school community members. The School promotes and celebrates diversity, and collaborative relationships between parents, teachers and students.

The Melbourne Declaration on Educational Goals for Young Australians (Dec 2008) demanded that *'all Australian governments and all school sectors must provide all students with access to high-quality schooling that is free from discrimination based on gender, language, sexual orientation, pregnancy, culture, ethnicity, religion, health or disability, socioeconomic background or geographic location'*
